INSTRUCTIONS

1. Paint the top of the ornament with 1 heavy coat of Mississippi Mud. Allow the paint to dry.
2. Use a damp sponge and wipe off the excess paint from the top of the ornament, leaving the paint only in the crevices.
3. Water down the remaining colors by mixing 50% paint to 50% water.
4. Use a small brush apply one coat of the desired color to the different sections of the ornament.
5. Fill in the center of the eye with one heavy coat of Mississippi Mud.

TIPS

- Rinse out the sponge as you wipe off the top of the ornament.
- We are going for a water color look. Just one coat of the watered-down colors will suffice.
